How to choose your first ProSkin treatment?

Every ProSkin treatment is divided into 10-minute modules. Each module contains a specific skin treatment. After we analyze your skin, we personalize the modules to match your skin needs and wishes. To tryout we recommend ProSkin 45. For the best overall experience we recommend ProSkin 60 which contains all steps. When in doubt call us.

Dermalogica peelings

Our strongest and fastest peeling yet to create tailored treatments that target a broad range of skin concerns – from early signs of aging to uneven skin tone and breakouts. Just amazing brand new skin.

Pro Power Peel 30 '3-layer peeling'	30 min	€ 55,00
Pro Power Peel 60 '5-layer peeling + collagen light'	60 min	€ 95,00

Beauty Angel collagen light treatments

Collagen light is absorbed by the skin cells and increases the body's own production of collagen, elastin and hyaluron. This reduces wrinkles, visibly tightens the skin and improves the overall skin appearance.

Collagen Boost 'Beauty angel light therapy'	15 min	€ 27,00
Collagen Power 'serum + masque + dermal layering'	30 min	€ 42,00
Collagen Ultimate 'Power + deep tissue massage'	50 min	€ 72,00
Collagen Start package '4x Power + 1x ultimate'	€ 240,00	€ 225,00
