single microneedling and peeling treatments are available. ask your beauty expert.

**How to choose your first Dermalogica ProSkin treatment?**  
Every ProSkin treatment is divided into 10-minute modules. Each module contains a specific skin treatment. After we analyze your skin, we personalize the modules to match your skin needs and wishes. To try-out we recommend ProSkin 45. For the best overall experience we recommend ProSkin 60 which contains all steps. When in doubt call us.

WAXING

Life gets busy.  
Make some time.

There's no such thing as one size fits all when it comes to looking great. That's why we're here for you. At CHRIS you find unisex treatments that are tailor-made. A perfect match for whatever your face or body needs. **Life gets busy. Make some time and treat yourself.**

GET A DATE WITH CHRIS

Pick your date and time and book your appointment online [www.chrisbeautybar.nl](http://www.chrisbeautybar.nl). It's fast, easy and there when you need it. You'll receive a confirmation right away. Have any questions? Give us a call, whatsapp or shoot us an email!

GIFT CHRIS

At CHRIS we have gift cards and e-gift cards. This way you can give someone exactly the present they need. They can buy their favorite product in our beauty bar or book an appointment and treat themselves to whatever it is their face or body needs.

ONLINE SHOPPING

Have you finished your favorite product and you don't have time to visit the salon? Then our webshop offers a solution. Order products from Dermalogica, gift cards, etc., quick and easy at [www.chrisbeautybar.nl](http://www.chrisbeautybar.nl). We ship your order for free when you spend over € 40.

Feel good.  
Look great.

WE'VE GOT STUFF

At CHRIS we work with the best of brands. All products are available in every variation imaginable. So whether you need cream for a sensitive skin, an overnight masque or a gift- we've got you covered.

We use Dermalogica products for all our personalised unisex skin care treatments. Thanks to advanced Observ520 photo system we are able to analyse exactly what your skin needs within 5 minutes.

Whether you book a ProSpa manicure, pedicure or want some GelColor on your nails: we trust OPI. ProSpa brings the quality of facial skincare to premium products developed specifically for hands and feet.

Advanced Nutrition Programme (ANP) are natural supplements for health and cosmetic purposes such as anti-aging, skin improvement and solving skin problems. They contain nutrients, vitamins, minerals and essential fats for protecting, nourishing and improving the health.

Covers all skin needs: anti-aging, hyper pigmentation, acne turning its innovative formulations into high quality, CE medical class IIa & III, products, in the field of chemical peelings and skin boosters.
